

## **SCHOOL INSURANCE PROGRAM**

### **Background**

The Division shall consider applications from insurance agents to provide school insurance coverage.

The Division accepts no responsibility for this level of student accident insurance and does not exercise any control over the administration of the insurance plan. The Superintendent may permit the distribution to students of commercially available plans, but neither teachers nor Principals will be accountable for fee collection from students.

The Division shall provide accident insurance coverage for all enrolled students for their presence during the school day and for school related activities.
