

FACILITIES SAFETY MANAGEMENT

Background

The Division believes it has a responsibility to provide for the safety of the students and staff of the Division, through the establishment and maintenance of a safe school environment.

The Division further believes its responsibility for the safety of staff and students extends beyond the school to those areas and situations directly related to the school which can be controlled by the school and/or Division.

Procedures

1. School facilities, grounds, and equipment shall be maintained in a SAFE condition at all times. School administration is responsible to advise Maintenance of needs. Maintenance is responsible for meeting codes.
2. Emergency procedures shall be established by school administration to deal with unsafe situations or conditions.
3. Procedures shall exist for provision of medical treatment for staff and students.
