

## Moment of Silence

The Board observed a moment of silence in remembrance of the victims of the Humboldt Broncos bus crash and all of those that have been affected by the tragedy. Board Chair Arlene Hrynyk noted that several NLPS schools held jersey days and other events to show their support for the Broncos.

## Good News Items

- Board Chair Arlene Hrynyk commented on the high level of student and staff engagement observed during the Board's recent tour of Cold Lake schools.
- Trustee Karen Packard commended everyone involved in the NLPS Science Olympics for an exciting, well-organized event. Over 300 students competed in this year's Science Olympics at the Bonnyville and District Centennial Centre on April 12. Board Chair Arlene Hrynyk also thanked the event sponsors for supporting the event.
- Trustees Michael Topylki and Lorne Kaban recently attended a parent council meeting at Bonnyville Centralized High School where there was a lot of discussion about the modernization of the school.

## FNMI Trades Exposure Event

On June 6th, the Trades Exposure Centre will be hosting a trades and industry carnival for over 200 high school students. The event will feature industry and post-secondary education booths where students will receive information about careers and educational opportunities and get to play some carnival games. There will also be a group of students participating in training on the service rig that day. Students from Kehewin and Frog Lake have been invited to the event in addition to students from throughout Northern Lights.

## ASCA Conference

The Board discussed the upcoming Alberta School Council Association conference. Trustees Michael Topylki and Lorne Kaban were planning to attend along with three parents from NLPS. The Board sponsors up to six parents to attend the conference each year.

## Next Board Meeting

The next Regular Board Meeting will take place on Wednesday, May 2 in Cold Lake.
