

WANDERING RIVER SCHOOL

APRIL NEWSLETTER

April 2025 |

March was a busy month of presentations at our school. We were fortunate to have Steve Harmer return to share his presentation about celebrating character, Amanda Panda returned to share her hula hooping talents, and Chris Chittick, The Storm Chaser returned to discuss his experiences with Tornado chasing and storm awareness! March also was the start of our programming from SFSK (Successful Families, Successful Kids) and Ms. Chelsea has been spoiling our students while she presented a combination of Strong Minds Strong Kids, Mindful Movements, and MindUP programming.

April will also be busy with a presentation from Paul Issak this week and then Spring Break next week! Our students are very ready for Spring Break and Easter to arrive!
