

WANDERING RIVER SCHOOL NEWSLETTER

June 2025

As we come to the close of another wonderful school year at Wandering River School, it's a perfect time to celebrate the many achievements of our students. They've worked hard, shown growth in so many areas, and truly embraced the values of respect, responsibility, and resilience.

Whether it was academic progress, creative expression, emotional regulation, or acts of kindness, our students have had a year full of success and memorable moments. We are incredibly proud of all they've accomplished.

This success would not be possible without the unwavering support of our families and our amazing community. Thank you for your encouragement, your time, and your belief in the power of education. A special thank you goes out to those who contributed through community donations —your generosity helped support student learning, extracurricular programs, and special events that enriched the school experience for everyone.

As we head into summer, I want to wish all our students and families a safe, relaxing, and joyful break. Thank you once again for being an essential part of our school's journey.

Mrs. Iversen

Thank You!

**Special thanks to
Wandering River A&W, Wandering
River 7-11, Wandering River
Tempo, and Royal Camp, South
Bow Pipeline Construction, South
Bow Facilities Construction, Elite
Integrity Services, and Midwest
for your continued support for our
students and school. Your
generosity throughout the year
has been greatly appreciated!**

Reminders

Our last library day for our students will be on June 9th.

Please have students return their library books on June 16th.

Upcoming Events

Preschool and Kindergarten

Crafts and Center time

Thank you Aimee for teaching
us about dreamcatchers!

Our chicks hatched! Thank you
Ms. Jen for sharing your chicks
with us!

St. Albert Children's Festival

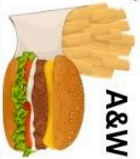

We made a craft at the art gallery,
watched Alice in Wonderland and
also Mario the Maker! It was a
fabulous day!

Butterfly Wings and Wishes shared two wonderful presentations with us. We now have a worm compost bin. We also started our butterfly kit; the caterpillars are in their containers and we are anxiously awaiting the chrysalis stage, followed by the arrival of our butterflies!
